The Nerd

A Comedy by Larry Shue

The action centers on the hilarious dilemma of a young architect, Willum Cubbert, who has often told his friends about the debt he owes to Rick Steadman, a fellow ex-GI whom he has never met but who saved his life in Vietnam. So Willum is delighted when Rick shows up unexpectedly at his birthday party. But soon his delight fades as it becomes apparent that Rick is a hopeless "nerd" - a bumbling oaf with no social sense, little intelligence and less tact. Rick outstays his welcome with a vengeance and Willum finds himself contemplating violence until a surprising "twist" ending saves them all.
