

## AUDITION NOTICE

# for Moon Over Buffalo

by Ken Ludwig

Moon Over Buffalo centers on George and Charlotte Hay, fading stars of the 1950's. Currently they're playing Private Lives and Cyrano De Bergerac in rep in Buffalo, New York with 5 actors. On the brink of a disastrous split-up caused by George's dalliance, they receive word that they might just have one last shot at stardom: Frank Capra is coming to town to see their matinee, and if he likes what he sees, he might cast them in his movie remake of The Scarlet Pimpernel. Unfortunately for George and Charlotte, everything that could go wrong does go wrong, including a visit from their daughter's clueless fiancé and hilarious uncertainty about which play they're actually performing, caused by Charlotte's deaf old stage-manager mother who hates every bone in George's body. If you want to have fun, this is the show for you.
